

# OTD in Analog Horror

## Jan.

1 – WCBS rings in the New Year with station changes for the '89 broadcast year and Harvest Festival. (Walker Creek Broadcast Station)

1 – AZ-001 enters High Earth Orbit and was spotted in front of the moon. 1999 (Midwest Angelica)

1 – The “findjackwalten” site was altered into a NYE announcement from Cyberfun Tech. Jack's personal page is a jumbled iteration of the previous site version. Rosemary's poster was replaced with a corrupted photo. The transcripts were replaced with “do you believe in happy endings? ...he loved us.” Investigation1 now has hollowed-out eye closeups and “but now god knows anything goes”. The Rocket Bunny is now a domino title of 5 and 2. Missing has a photo of a cracked porcelain doll's face. 2022 (The Walten Files)

1 – A page labeled “Poker” was discovered on “findjackwalten” with an altered version of the “Dogs Playing Poker” painting and “No, it's not possible to play poker with a ghost, they're dead, after all.” Another page, “anticlimactic”, reads “Those who expect stuff without anything to support said expectations are bound to end disappointed.” A page labeled “890247895yuiowarsehiofhkky890wte” was an unfinished version of the Brighton Ghosts page by beginner ghost hunter Anthony Miller, containing a doll and hidden text “I can feel”. 2022 (The Walten Files)

1 – A police report was filed on the Shaun Gomez NYE Incident. 1995 (The Smile Tapes)

1 – Alcatraz is dedicated as a federal prison, which seems to be an organic creature in Monument Mythos that requires radiation treatment or else it duplicates everything it touches. It also seems to have created The Last Son in the Nixonverse and was the location of the final bunker Donald Trump stayed in during the “Modern Day” Mythos season to record two tapes after being burned up from a nuclear attack by President Robert Pattison. 1934

1 – Unexpected channel traffic during 102.8 FM's off-hours interrupts with an advertisement of The Solar Tapes (an sci-fi analog horror series by The Analog Zone) and a star-gazing program fraught with issues. The Hellsmouth is mentioned. 2022

2 – Adam Murray's last text to a Tyler Johnson: “what does fs2 even stand for?” 2009 (The Mandela Catalog)

2 – An announcement at Crimson Creek Community College was replaced with The Star Spangled Banner, with text claiming the United States “has officially came to rest” and demanding everyone to “take [themselves] to the afterlife with force.” 1998 (Bread's Eventide Media Center)

2 – Manufacture date of Alexander Michael Marsh's private tape that's “modified so that it will not

operate [...] on consumer grade video cassette recorders”, “Preconditional Protocols and Orientation Video System: Tape TF-1” for Unit 13, by SimioDyn USA. 1993 (GREYLOCK)

2 – Manufacture date of Charlotte Jean Melgren 's private tape that's “modified so that it will not operate [...] on consumer grade video cassette recorders”, “Preconditional Protocols and Orientation Video System: Tape TF-2” subtitled “Waking Your Subconscious”, by SimioDyn USA. 1993 (GREYLOCK)

2 – Upload date of Surreal Broadcast “Culture and History”. 2021

2 – Upload date of Eventide Valley Restoration “A New ERA” (no longer canon). 2023

2 – First official posting of the Mystery Flesh Pit National Park Archive, a graphic of the tools and workplace hazards surrounding a Park Trail Engineer. 2020

3 – Crimson Creek Community College AV Club's news program was interrupted by a lockdown brought on by a monstrous creature. The incident was covered up as a school shooting incident. 1982. (Eventide Media Center)

3 – Riley Tillon's fourth upload about Cornerfolk, where he manages to enter the Cornerworld. After the upload, a wellness check was made where his internal organs were found folded and he gained an obsession with origami. 2013 (Monument Mythos)

3 – Felix Kraken's alcoholism and obsession of the Cyberfun Tech project gets worse, writes wife Linda, which peaked in an undated diary entry between this and the '74 car accident. 1973 (The Walten Files)

3 – Estimated date of the previous Backrooms victim that was encountered by the basketball player before the player fell to his death during a chase. 1990 (Async Research's Backrooms)

3 – Birthday of NASA Astronaut John Glenn. In Nixonverse, during the Apollo 11 Mission, he was “evicted” from reality. He also appeared as a CornerFolk in the Modern Mythos season. 1987

4 – Tweet date of Analog Archives Photo 1: Lyric Television Appliances in Bucks County, Pennsylvania, dated Aug. 13, 2007. 2020

4 – Date of the discovery of “Weird Dog” found in Piggy's Wegman tapes. 2009 (Dog Nightmares)

5 – Hosted goes dormant after the failure of the '89 Harvest Festival. 1990. (Walker Creek Broadcast Station)

5 – First test of the Oracle Project with simple operations and predictions. Dr. Greg Townsend was predicted to die in 4 to 6 months. He did die 4 months later from a heart attack at 58. 1997 (vintage eight's Oracle Project)

5 – Patient Zero, identified as deep sea diver Scott Griffin, goes to Dr. Christopher Wells for a possible allergic reaction. Griffin says it happened after discovering a creature during a dive for an oil company, and he brought it on board. It discharges some white substance on his arm. He was treated for hives. 1998 (vintage eight's The Itch)

6 – Gemini Home Entertainment privates “The Deep Blue” video as it slowed the series down story-wise and lacked value to the lore, compared to the Advanced Mining Vehicle tape. 2023

6 – Police were called to a house over a potential burglary. A cop went missing but a photo album and camcorder was found in the house. The perpetrator wore a sheet over his head. 1987 (Dreams of an Insomniac)

6 – Scott Griffin was asked to return to the hospital after the condition returned, which got worse on the

way there with cysts developing and popping at a gas station, reports a nurse during a follow-up. Dr. Wells does a house call, finding that Scott murdered his family in a psychotic episode with holes on his body. Scott was taken to the hospital's infectious disease ward to be quarantined and interrogated. 1998 (vintage eight's The Itch)

6 – Tweet date of Surreal Broadcast Document #6: Berksaut PD's photo of the forest taken in the Winter of 1987. 2021

6 – Upload date of Monument Mythos “FOOTAGE OF FINAL TRUMP RALLY”. 2024

7 – A large group, mostly members of the Anti-Dean Association, stormed the US Capitol Building and blasted the Freedom Statue down. It wound up activating Freedom, making it attack a person in the halls, as documented on video. 150 casualties reported and the statue was relocated to The Grand Canyon. It was reported by the New Delaware Journal. 1977. (Monument Mythos)

7 – Samples meant to be studied by the CDC about the Tangi virus outbreak were not submitted. The virus was deemed to be a germ of no serious concern. 1989 (vintage eight's Tangi Virus)

7 – Jonah Marshall's last text to Adam Murray before the pair's incident. 2009 (The Mandela Catalog)

7 – Several more patients were admitted into the St. Roch hospital with three under arrest for murder, with similar symptoms to Scott Griffin. All patients were at the gas station when Griffin's cysts exploded. The parasites tried to attack Dr. Wells during sample collection. Elderly couple William and Bonnie Garrett admitted to killing a newly wed couple next door. 1998 (vintage eight's The Itch)

7 – Date of patients Eddie Teller and Wendy Bailey's visit to the St. Roch Hospital, deleted from archive. 1998 (vintage eight's The Itch)

7 – Sheriff Lane of St. Roch PD's report on the gas station incident is written, reporting one person, Rachel Anderson, wasn't located. 1998 (vintage eight's The Itch)
